

VISITING CHURCH SAFELY

Please use hand sanitizer:
* when you arrive
* when you leave.

Places to sit or kneel are marked with post-it notes.

Please only sit where these are placed.

- Each place is for an individual or couple.
- If you have come with more than 2 people from your household, use the whole bench.
- When you have finished, peel off the post-it note(s) and **take it away with you:** this shows us where you have been, and so where needs to be sanitized for others.

For health reasons, please avoid talking to others in church unless strictly necessary.

This should be done outside instead (at a safe distance).

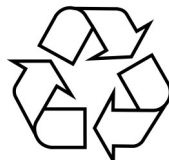

Please light any candles from one already lit.

You can use your own matches etc., but we cannot provide these for general use.

Toilet facilities are not available at the moment.

Please take any papers (including this one!) away with you when you leave.

Please take any rubbish home with you.

HINKSEY CATHOLIC PARISH
